4 **Small Acts of Generosity**

متن زبر را بخوانید و به سوالات داده شده در هر قسمت یاسخ دهید.

To be generous, you do not have to give away large sums of money or do something really special. Generosity comes from the heart and means giving without asking for anything in return. There are many small ways you can be more generous and make a difference in other people's lives.

It's a good idea to try these small acts of generosity from time to time:

- Give someone a gift.
- Give your seat on public transportation to someone who needs it more than you do.
- Give a smile to a stranger.
- Offer to carry someone's groceries or other items for them.
- Donate old clothes, toys, and household items that you no longer need to a charity.

These small acts of kindness can make a big difference in someone's life. They do not take much time, but they do require thoughtfulness and effort. A simple kind word like "You look great today!" a heartfelt thank you, or a friendly word can make someone's day. It can make them smile and feel good. This is the "power of kindness." Such small acts of kindness are the basis of many successful relationships. It is important to remember that small acts of kindness can be just as powerful as large ones. If we all do something kind for others, no matter how big or small, the world will be a better place.

True or false

43) Generosity means doing something really special.

True False

44) We should know large acts of kindness are more powerful than small ones.
