URBAN PLANNING

An Introduction

CHRIS COUCH

planning • environment • cities

The background is a light blue color. At the top, there is a white line-art illustration of a city skyline with several buildings of varying heights. Below the skyline is a horizontal line representing a street. In the center of the street, there is a crosswalk with a zebra-stripe pattern. A large magnifying glass is positioned over the crosswalk, with its handle extending towards the bottom right corner of the page. The text 'BLUEPRINT FOR AUTONOMOUS URBANISM' is written in white, bold, sans-serif capital letters, stacked vertically on the left side of the page.
