Nitric Acid 65% Trace metal Grade

Danger

Precautionary Statements:

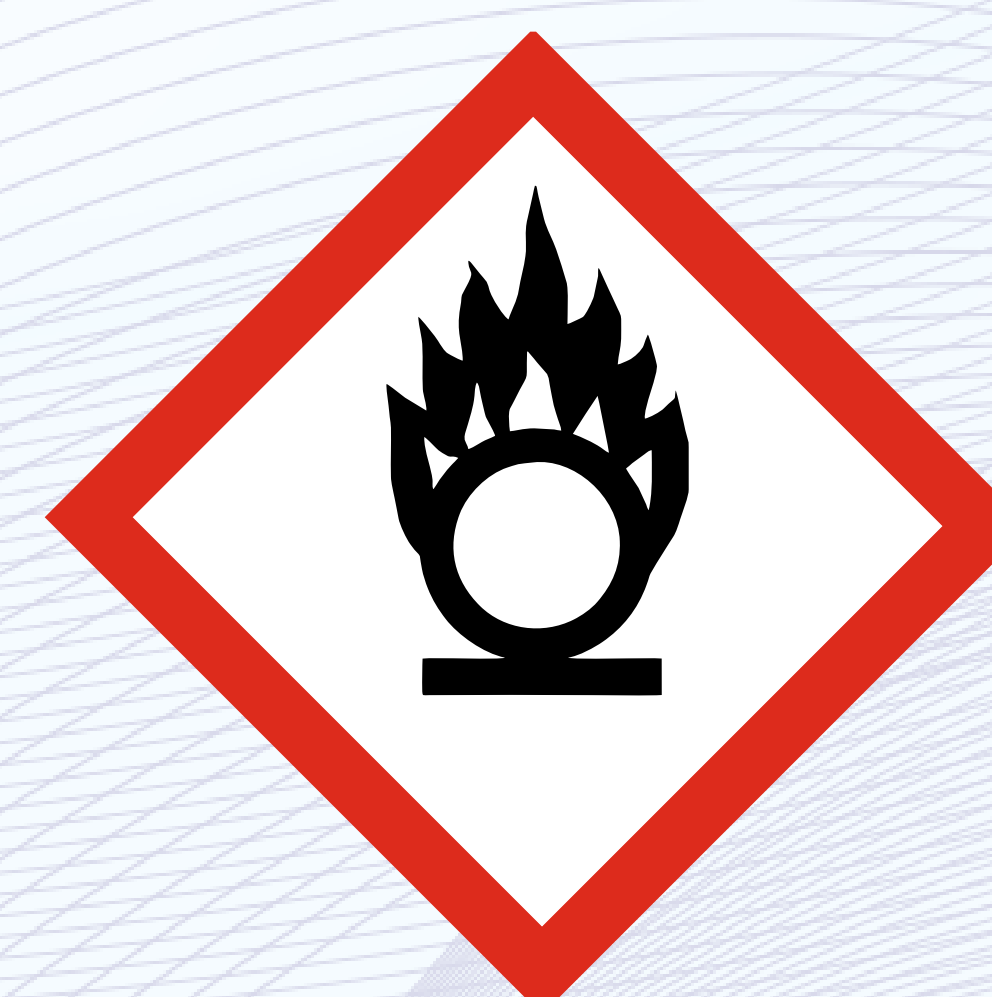

Store away from direct light Use appropriate protective equipment (gloves, eye protection, face shield). Handle with care in accordance with GHS standards In case of contact, rinse immediately and seek medical advice.

Storage:

Store in a cool, well-ventilated place. Keep the container tightly closed and away from incompatible materials.

Application:

Used for analytical chemistry, including metal trace analysis and specialized laboratory procedures requiring ppb grade nitric acid. Designed for highest analytical grade work, especially trace metal analysis in the ppb (parts per billion) range, ensuring minimal contamination.
