Project: Email Marketing Autoresponders and Sales
Campaign

My Testimonials

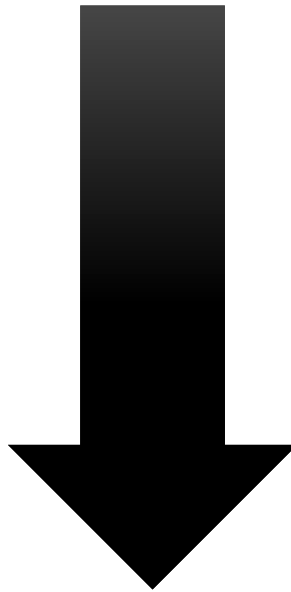

The emails you and Sara created for us literally produced over \$170K in revenue. So I'd say that's a thumbs up!

And btw. Ali did more than marketing. He was a creative partner in the whole process. He came up with our big idea and core premise... which was an anchor for our entire marketing campaign

★★★★★

"Does what I wanted. This product does what I wanted it to do which was to get me to a point where I could just push past the fog and still accomplish my goals. It wasn't life changing or anything as I wouldn't expect that, but it does help." ~ Alana
